

Jaime Koebel Worksheet:

Scan this page and hand it to your students to prepare them for the workshop. If you have the chance, use this sheet as fun homework!

1. What do you wish you could change in the world? (Examples: make people happier, save the environment)

2. What are superpowers you wish you had that would make that change easier?

3. With the help of a parent or teacher, discover the medicinal use(s) of a flower or plant! Write the name of a plant and its healing powers below.

Name of plant or flower 1: _____

Medicinal use(s):

Name of plant or flower 2: _____

Medicinal use(s):

4. Draw some plants you can find in your school playground or in your neighborhood:
